

The God Question

Dr Tony Ellis

In this course we shall examine and debate a number of positions on the question of God. Our starting point will be a look at contemporary atheism and its counterpart in the affirmation of orthodox theism. We shall then explore some thinkers who look to re-frame the question and our understanding of the divine, whether through feminist perspectives or in the poetic imagination of writers such as R.S. Thomas and Emily Dickinson.

Start date: Thursday 6 June and running every Thursday for six weeks

End date: Thursday 11 July

Time: 6.00 – 8.00pm
