

## **Weaving Stories From Fact: Writing Creative Non-Fiction**

### **Ebba Brooks**

Want to make your non-fiction writing more engaging for readers? This course will teach you how to use the techniques of fiction to create interesting and readable non-fiction pieces. Memoir, travel writing, research, history, and journalistic features are among the diverse categories of writing that come under this label.

The course will take a hands-on approach to writing creative non-fiction, with writing exercises in class each week, opportunities for feedback on your work from your peers and the tutor, as well as reading some exceptional works of creative non-fiction for inspiration. We'll look at different approaches that writers have taken as well as outlets for publication for this type of work.
